Handy Helpers Ministry

The Handy Helpers gather, organize and facilitate volunteers to assist in providing skill and labor to members of the congregation, as well as friends and neighbors of Parkville Presbyterian Church, in need of assistance.

- Request for assistance may come from a variety of sources including the pastor, outside organizations and members of the congregation.
- Requests are taken and our ability to fulfill the request is determined.
- If within our capabilities, helpers are assigned to complete the task. Referrals and recommendations may be a part of the service provided.
- The type and nature of the duties are unique to each situation but are generally light household duties ranging from:
 - Yard work
 - Removal of debris
 - Small plumbing issues
 - Moving heavy objects
 - Minor repairs
 - Light shopping and errands
 - Referrals for other services in the community
